## **DETAILED ACTION**

### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance:

Claim 1 is allowable over the prior art of record because the teachings of the references taken as a whole do not show or render obvious the combination set forth, including: (1) an elevator apparatus comprising, a first and second driving sheave disposed in an upper portion of a hoistway; a car raised and lowered inside the hoistway by a driving force from the first and second driving machines; a first and second car return pulley disposed in the upper portion of the hoistway, a first and second counterweight return pulley disposed in the upper portion of the hoistway, a first and second deflection pulley disposed in the upper portion of the hoistway, wherein: the first and second driving means are disposed horizontally such that the axes of rotation of the first and second drive sheaves extend vertically.

Claim 16 is allowable over the prior art of record because the teachings of the references taken as a whole do not show or render obvious the combination set forth, including: (1) an elevator apparatus comprising, a first and second driving sheave disposed in an upper portion of a hoistway; a car raised and lowered inside the hoistway by a driving force from the first and second driving machines, a control apparatus for controlling the first and second driving machines by operating modes including a double operating mode in which the first and second driving machines are both driven
